Dale Bellows Parkdale Shorthorn Farm

DISPERSION SALE

Monday, September 28th Maryville, Missouri

SALE STARTS AT 12:30 P.M. — IN THE PAVILION AT THE FARM

Farm located one mile west of "71" — Sale Pavilion at south edge of Maryville

**SELLING 95 HEAD OF QUALITY
REGISTERED SHORTHORNS**

8 Top quality bulls

15 Bred cows and heifers

30 Cows with calves at foot

12 Open heifers

EIGHT BULLS — Including the two-year-old herd bull, **B F Generosity** by the \$2,950 Uppermill Alert, second highest selling bull in the 1953 Uppermill bull sale in Scotland. There will be 4 strong yearling bulls, half-brothers to the 1959 Salina top-selling bull, purchased for \$1,125 by C. R. Asper & Son, Ramah, Colo. An outstanding attraction is the summer yearling red bull, Parkdale Bonn, one of the best bulls ever bred on the Bellows' farm and a grandson of the Perth champion, Beaufort Bolido, and of the International grand champion, N-Bar Prince.

FIFTY-SEVEN EXTRA CHOICE FEMALES. Down through three generations of men, the Bellows' bred Shorthorn females have been known for their breedy heads, smoothness, and wonderful producing ability. Here's the opportunity to buy the very top families — including the foundation females, of the entire herd. There will be five half-sisters to the dam of P S Troubador 2nd, the 1956 Chicago International grand champion steer over all breeds, that sold for \$20.50 per lb. These are from the famous Queen of Beauty family. There are two imported cows, one by Corrimony Golden Sovereign, and her yearling daughter by Kinellar Metaphor is one of the top young

heifers that will be sold this fall any place. Another imported daughter of the Perth champion, Beaufort Bolido, sells along with four outstanding daughters. There will be half-sisters to the 1959 Salina grand champion and top-selling bull, all sired by Ransom Banker 35th. There will be 12 daughters of the Omaha grand champion, Goldfinder Boxer 2nd, 8 by Roanridge Captain John 3rd by Calrossie Captain John. There will be 8 members of the Miss Ramsden family that all go back to the imported cow by Morphie Comet by Bapton Commando. They are all real producers.

These are just a few of the highlights of this great herd that has been producing top Shorthorns at the same old stand for nearly 80 years. This is the same herd that produced two International grand champion bulls and provided foundation cattle for top-producing herds all over America. Everything sells officially vaccinated for Bangs and has been vaccinated twice in the last year for leptospirosis. The herd is in good working order and all females, not selling with calves at foot, will be pregnancy checked.

GENERAL SALE INFORMATION

TIME AND PLACE: Monday September 28th at 12:30 p.m. at the Bellows Farm, located 1 mile west of "71" Sale Pavilion at the South edge of Maryville, Mo. Maryville, Mo. is located in northwest Missouri, within easy driving distances from Omaha, Nebr.; Kansas City, Mo. and Des Moines, Ia. The D-H Auto Court will be Sale Headquarters and travelers from a distance will find ample hotel and motel facilities available. Any late sale day messages, can be directed to the Sale Manager at the Dale Bellows' farm, Tele: Maryville, Mo. JU 2-4264, is located on the main line of the Wabash Railroad, between Omaha and St. Louis.

GUARANTEE: The Bellows' herd is backed by an enviable reputation, gained through honest business practices over nearly three-fourths of a century of doing business. Pedigrees are correct, and the cattle are healthy. Any known faults will be announced clearly, on sale date. Dale Bellows knows these cattle and will tell you everything about them. Any females with short or doubtful breeding services will be pregnancy checked. As this is a dispersion sale, no further guarantee will be given.

TERM: The terms of the sale are cash.

ANNOUNCEMENTS: Announcements from the auction block, will take precedence over printed matter in this catalog.

HEALTH: Every animal has passed a T. B. test within 30 days of sale date and all females are either officially vaccinated for Bangs and under 30 months of age or have passed a clean test for Bangs. The entire herd has been vaccinated for leptospirosis twice, last December and this past July.

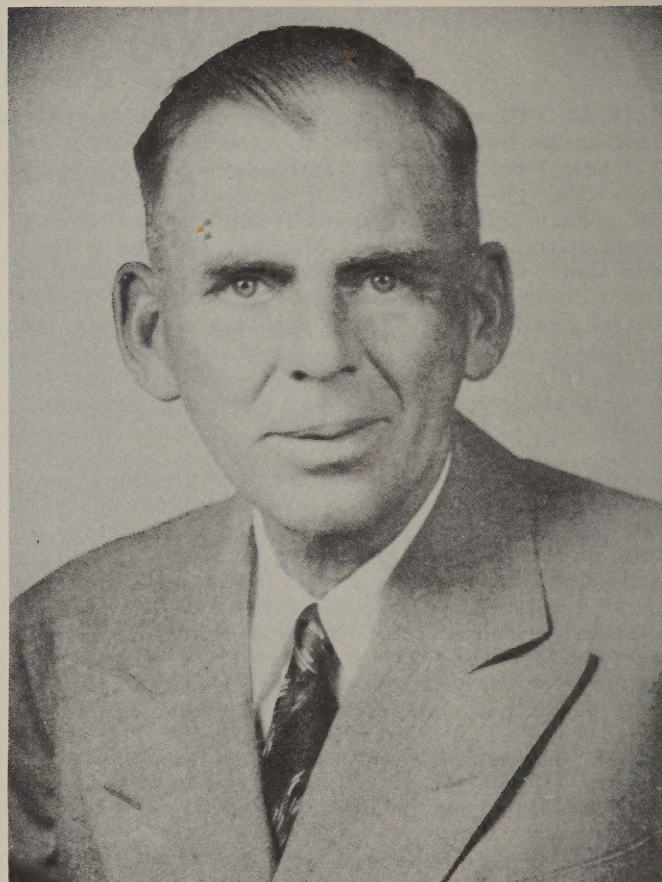

LIABILITY: Although every precaution will be taken to provide for the safety and comfort of those attending, all who attend do so at their own risk. Neither the owner, auctioneer or the sale manager, accept any liability for accidents that may occur.

FIELDMEN IN ATTENDANCE:

Seward, Nebraska
Kenneth Fulk, The American Shorthorn Association,
Omaha, Nebraska
Ted Aegerter, the American Shorthorn Breeders
Association, Seward, Nebraska.
Wally Gladish, Drover's Telegram, Kansas City,
Missouri.

DALE BELLOWS represents the third generation of the Bellows family in the breeding of registered Shorthorns. The herd was founded by his grandfather, the late F. Bellows, who purchased his first Scotch Shorthorns in Canada in 1880.

Dale's father, Charles D. Bellows, and his uncle, George P. Bellows, continued to build the Bellows Brothers herd to prominence and, during their time, produced two International grand champion bulls. The herd was operated under the name of Bellows Brothers until 1950 when Parkdale Farms and the herd were taken over completely by the present owner. Dale Bellows has been a judge at America's largest shows and exhibitions. He was named builder of the breed in the Shorthorn World in 1948.

Parkdale Farm Herd History Highlights

History reveals that every man whose constructive influence in animal improvement has been even more outstanding as a man than his animals, as individuals. Constructive breeding demands in men, traits which collectively, make great personalities. Such is the story, back of the nearly 80 years of Bellows' bred Shorthorn cattle. The herd was founded by F. Bellows with the purchase of Scotch females in Canada in 1880. In the years that followed, Mr. Bellows added some of the choicest families of the breed and it was not long before his sons, Charles D. and George B., approached the age at which they desired to join with their father in further expanding the herd.

Through the addition of great breeding cows and such outstanding bulls as Hampton's Best and two sons of Choice Goods, Good Choice and Best Of Goods, the herd soon became recognized as one of the most dependable sources of foundation blood in the country. This richly injection of Choice Goods blood in the herd, resulted in a foundation set of females that were reliable breeders, due to their extremely feminine makeup and strong milking tendencies.

In the meantime, the great bull, Whitehall Sultan had appeared and Bellows selected two bulls, both by what is generally regarded as one of Avondale's best breeding sons, Double Dale. These bulls were Radiant and Sultan Supreme. They were purchased for their value in strengthening backs and loins and for adding compactness and thickness of flesh. It was here that Bellows Bros. had arrived at a point where with Choice Good females and Whitehall Sultan bulls, they deemed it a wiser

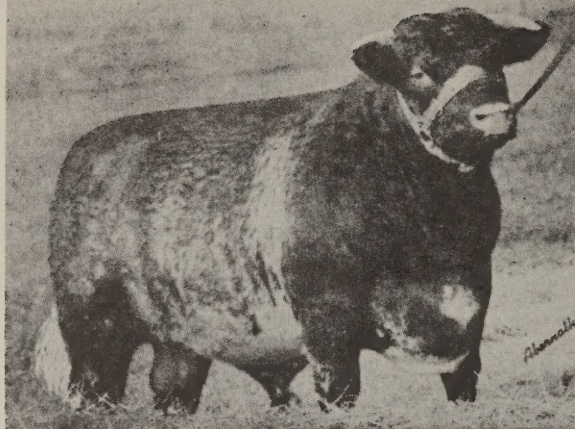

plan to discontinue the bringing in of bulls from the outside and to begin the almost exclusive use of bulls of their own breeding. This made it possible for them to carry through enough of the same blood, that type and characteristics were established which they regarded as most desirable.

Bellows Bros. had the ability to follow one good sire with another and made progress and they exercised equally keen judgment in the selection of females for their breeding herd. Thus, they built tribes in which the family name has not only been preserved, but is always preceded, in the conversation of the trade, with the name Bellows; such, for example as a Bellows Queen of Beauty, Bellows Lavender, etc. The same applies to many families now in the herd and all being offered in this dispersion sale.

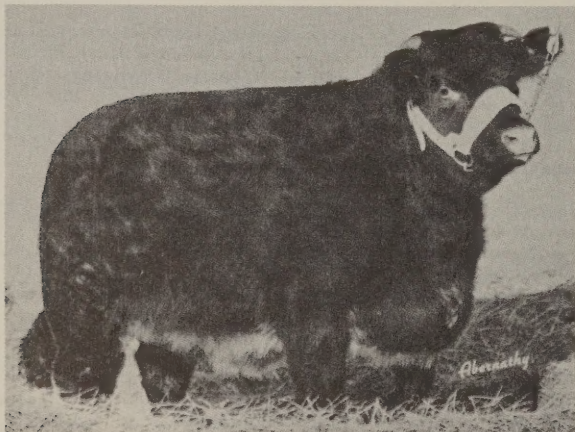

It's been my pleasure to work with Dale Bellows in assembling the material for this sale and I was very much impressed with the many good cattle and good female producing families that he will sell in this sale. Certainly, there are individuals that can work improvement in any man's herd and the knowledge that they are backed by generation after generation of dependable and stable production, is of great value.

This sale deserves the highest possible recommendations and stands today as a monument to the efforts of three generations of great men. This closing out will provide outstanding buying opportunities and I hope we can look forward to seeing a lot of our friends at Parkdale Farms on Monday, September 28th.

MERV AEGERTER, Sale Mgr.

B F GENEROSITY - A good young bull, and his calves are pleasing. He's been used rather hard and is only 2½ years old. He has an excellent head, bone, is lower set and smooth. Harold Bacon purchased him in the 1953 Leveldale sale for \$2,950. Les Mathers bought this young bull as the second highest selling bull in the 1953 Uppermill bull sale and his sire is a half-brother to Beaufort Bulldozer. His dam, Augusta Amelia is a full sister to Uppermill Annuity and to the \$12,000 Uppermill Austin; the above bulls were used by Arnold Bros. at Hawthorne Farms. The dam of B F Generosity is a granddaughter of Calrossie Dazzler, also sire of the 1950 Royal Winter Fair and Chicago International grand champion female, Tolquhon Dazzling Princess.

Prime beef on the hoof is typified in this pose of P S Troubadour 2nd, the 1956 International grand champion steer, shown by Pennsylvania State College. Note the width, trimness, full quarter, straight lines and the general excellence of this model steer.

HIS DAM

At right we see Acadia Queen of Beauty 2nd, dam of PS Troubadour 2nd, as she looked in the May 21, 1955 sale of Acadia Farms. When sold, she carried the service of Calrossie Troubadour. Acadia Queen of Beauty 2nd is by Calrossie Sportsman. Her dam is Queen of Beauty 111th by Helfred Golden Fame. This Queen of Beauty family gained fame in the Bellows Brothers' herd in Missouri.

The Bellows family names have always been synonymous with good Shorthorn cattle. The Queen of Beauty family that produced the International grand champion steer, will be represented with 6 top females. There will be 8 from the Miss Ramsden family, 5 Augustas, 11 Clipper Lass', 7 Fair Constances, 4 Sweethearts, and others of equal prominence.

FIVE HALF-SISTERS

TO THE DAM OF
PS TROUBADOUR 2nd,
SELL IN THIS SALE.

THEY ARE ALL SIRED BY
HELFRED GOLDEN FAME.

PS TROUBADOUR 2nd Set a Record Selling Price of \$20.50 per lb. No steer in the history of International Livestock Exposition has ever caused a greater sensation through his winnings than PS Troubadour 2nd. Following his record sale to the Green Briar Inn, White Sulphur Springs, Va., he made a year-long tour of the United States and then was retired for life at Acadia Farms.
